Class History

The 1959 Graduating Class of Camp Creek High began their Freshman year with forty two (42) students enrolled. Glen Moyer was chosen as our sponsor and June Broyles was elected President. Mable Ruth Gregg and Garry Philbeck were honored as queen's attendants in the Fall Festival. Those fortunate of being on the Varsity Basketball Team were Marlene Gunter and Bobby Compton. Our school picnic took place at Chilhowee Park.

Leroy Hendrix was chosen as Sophomore sponsor with thirty four (34) students. Mable Ruth Gregg was elected president. The class was represented by Marlene Gunter and Cecil Ricker as attendants of the queen in the fall festival. Sophomores on the Varsity Basketball Team were Marlene Gunter, June Naulta, and Jimmie Shelton.

Our Junior year we began with thirty two (32) students. Mrs. Anna Mae Armstrong was chosen to sponsor us. President of our class was Carolyn (Cooky) Kelley. We were again fortunate to have several from our class on the varsity team. They were Marlene Gunter, Janet Kelley, and Bobby Compton. This year Judy Myers and Conley Starnes represented our class in the Royal Court of our Fall Festival. Big decisions such as selecting class rings and financing an enjoyable trip to Big Ridge State Park and Chilhowee Park. The Basketball season ended with an enjoyable banquet. We were honored to have Marlene Gunter elected as captain of the 1958-1959 team. Bobby Compton was on the Camp Creek Baseball team which was in the TSSAA League. Brenda Morgan served as manager this year and also her Sophomore year.

As we approached our Senior year we had twenty five students enrolled. Our sponsor for our final year was Edward Johnston with Brenda Morgan elected President. We were honored with Marlene Gunter and Faye Johnson as attendants of the queen, Miss Betty Johnson in our Fall Festival. We were fortunate in having from our class on the Varsity Basketball team Marlene Gunter, Brenda Morgan, Janet Kelley, June Naulta,

Bobby Compton, Jimmie Shelton, and Lyle Miller. This will be a great loss to the teams. Mable Ruth Gregg has been on the cheerleading squad four years, and is captain her Senior year. Joan Murray was on the cheerleading squad two years. Roger Houston and Jimmie Shelton became popular during their four years in high school singing and playing with their guitars. Miss Judy Myers became the bride of Mr. J. C. Kelley November 29, 1958. Miss Phyllis Bryant is to become the bride of Bruce Knight in April.

As our History comes to a close at Camp Creek High School we are grateful to those of our teachers and principals who have taught us and guided us in a way that we may always be remembered as graduates of Camp Creek High.

Historian - Mable Ruth Gregg

Class Prophecy

On May 22, 1959 the Senior Class planned to hold a reunion ten years from that date.

As a reporter for the daily Greeneville Sun I feel it is my duty to report the result of the Reunion.

It was held at the home of Judy Myers, now Mrs. J. C. Kelley. She is very happily married with 2 children and 4 grandchildren.

Brenda Morgan has been working at the Laughlin Clinic for the past 6 years after Nurse's training in Nashville. Recently she has been promoted to Superintendent. She is also married to Steve Bird.

Mable Ruth Gregg has completed her business course and is now employed at Moon Missile Inc. She is also very happy as Mrs. Dean Crum.

Phyllis White, Shirley Wallace and Phyllis Bryant have become great missionaries in Africa and were unable to attend the reunion.

Shirley Fillers has completed her business course and is employed in Nashville and still going steady with Rowe Lamb.

Norma Jones has been employed at a Baptist Hospital in Knoxville for 6 years. She is also about to become Mrs. David Rader.

Jimmie Shelton is employed at Eastman Kodak Co. and married to Darlis Roberts.

Conley Starnes and Bobby Compton have made a career in the Navy.

Billy Hall and Carl Hensley have made a great success in the field of Science.

Our own Elvis Presley (Roger Houston) is still in the recording business.

Happily married, with 3 little Millers, Lyle Miller is bailing hay for Ray Woolsey.

Fay Johnson is happily married to Patricia Jones and working on a large farm.

Mary Ruth Morgan is still employed at Takoma Hospital.

Well known with his large chain of grocery stores is Cecil Ricker rolling in money.

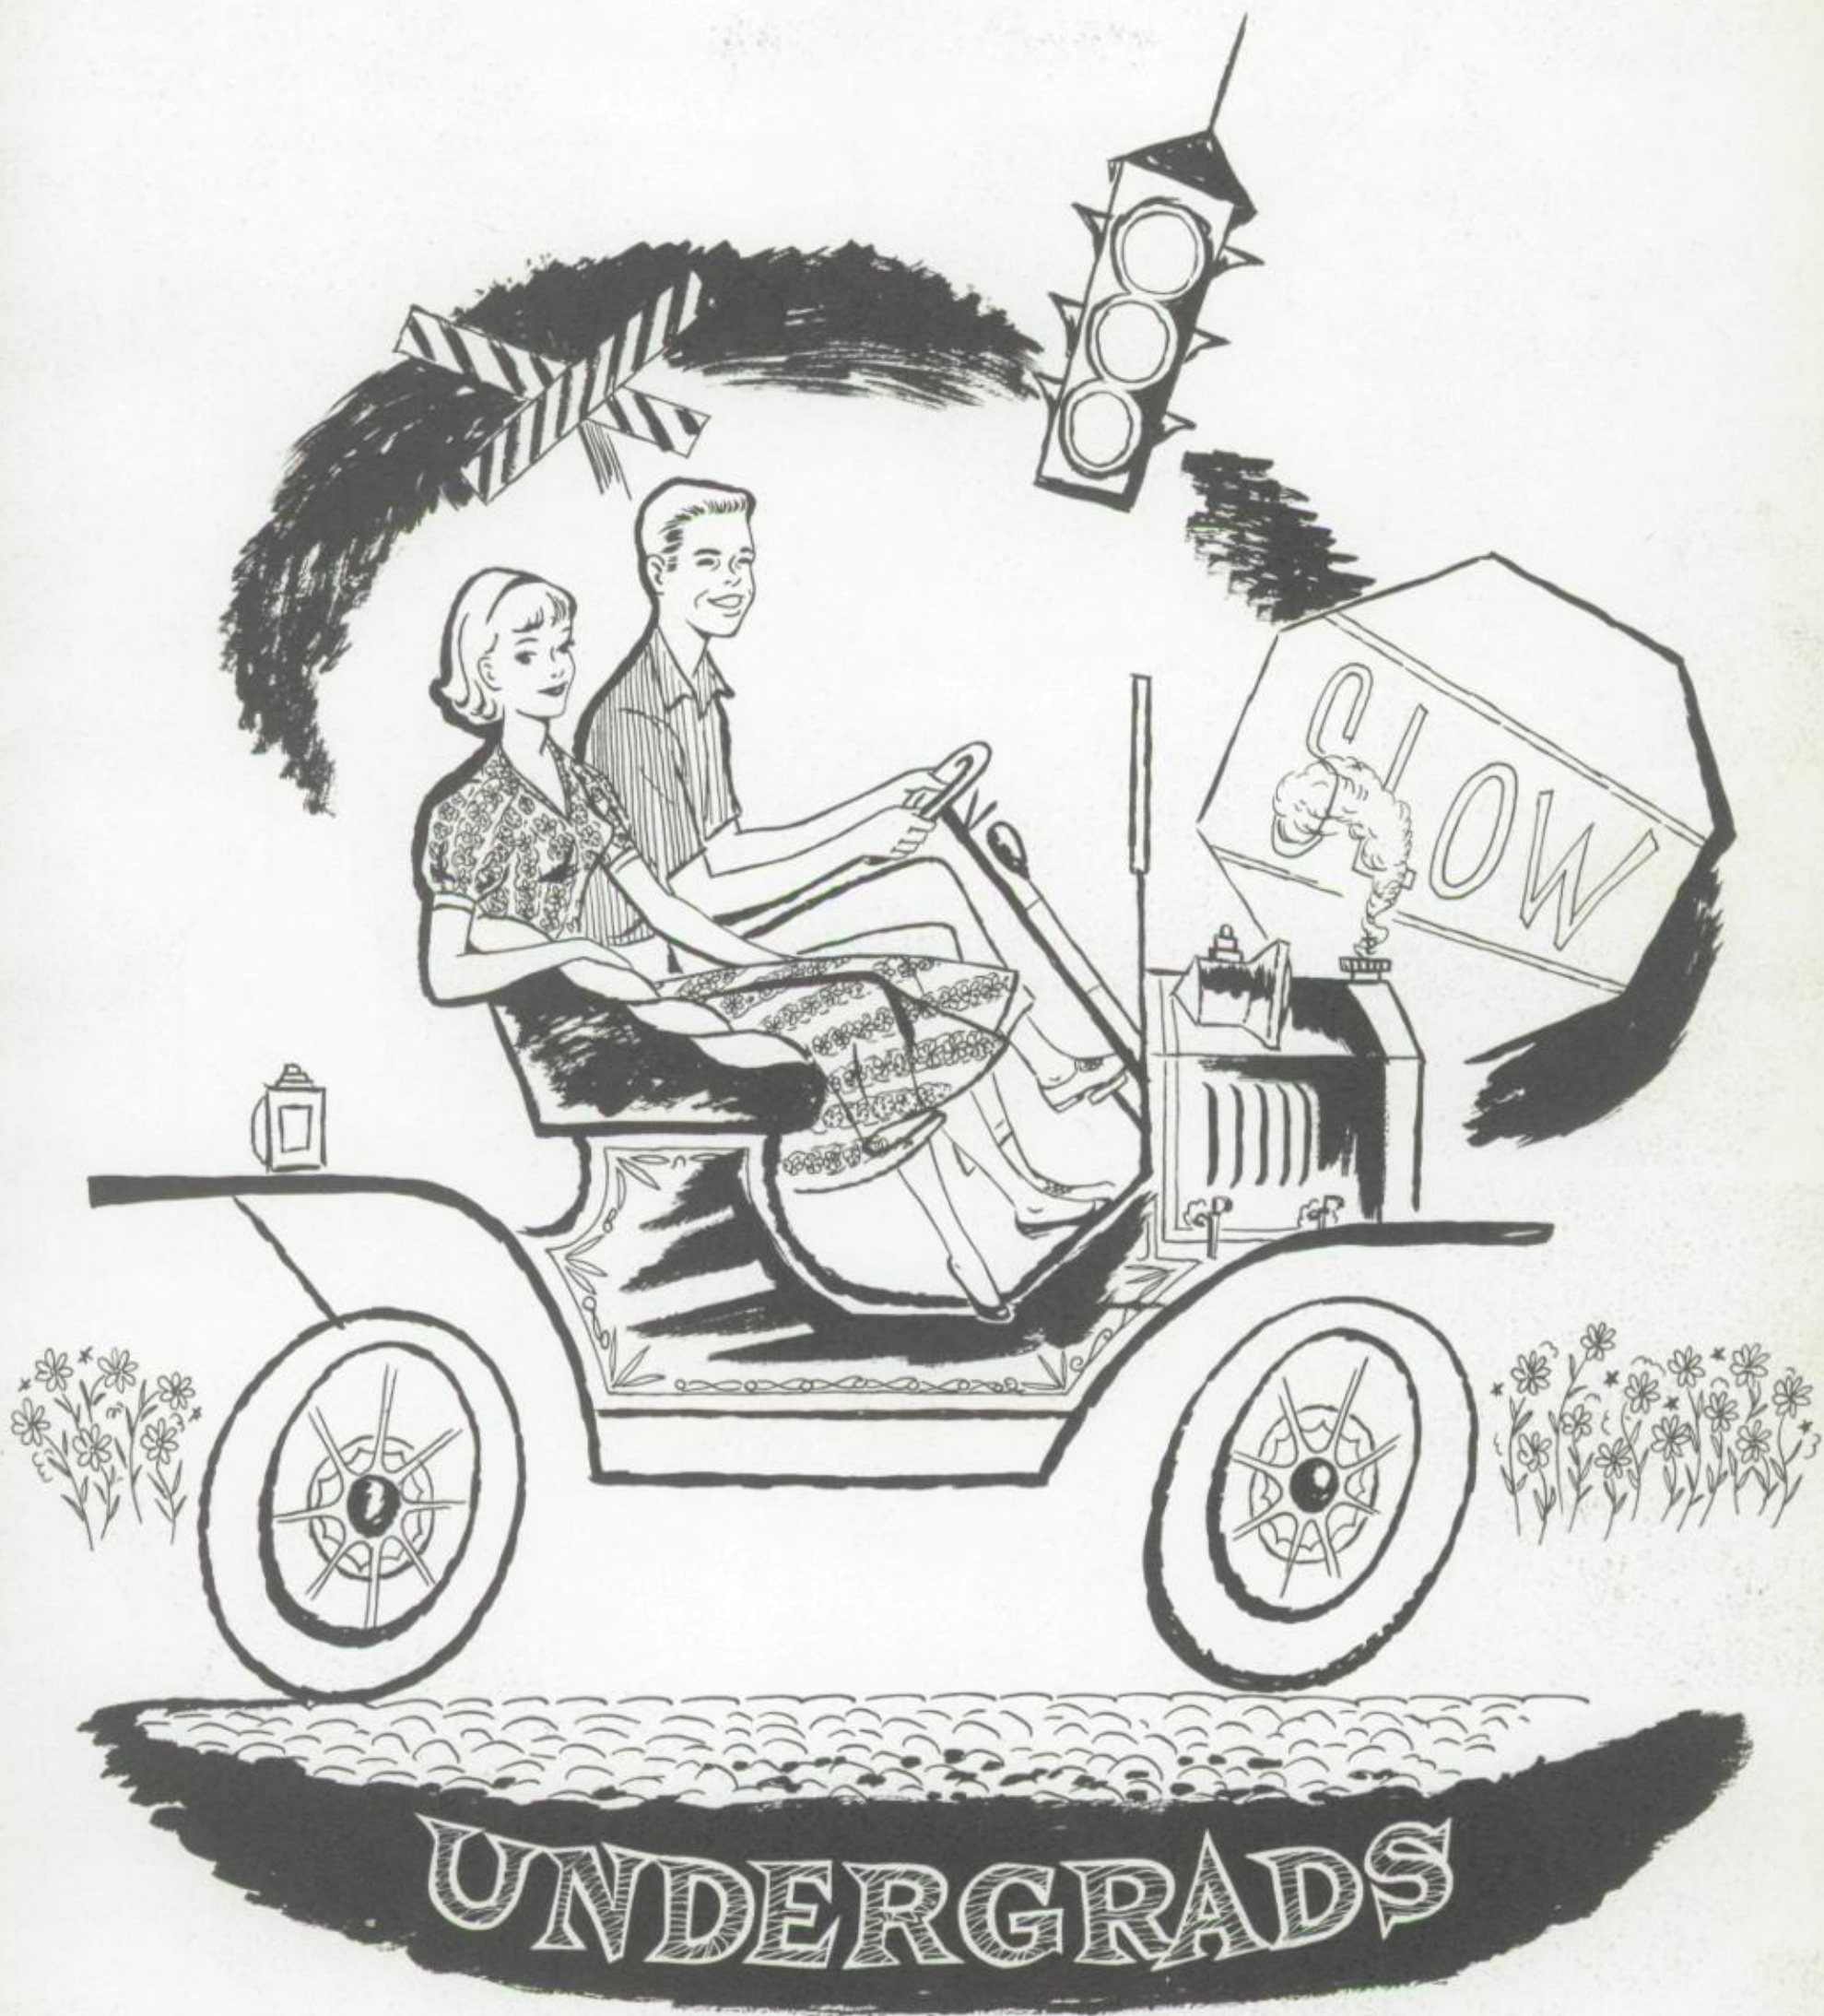

A very successful comedian under the spotlights is our own witty Hal Shaffer.

Doug Jones is dairy farming in a big way with about 3,000 head of Holsteins.

Danny Moncier was unable to attend the reunion due to the fact that he was on the chain gang and could not get parolled.

The big 6 are working for the circus: Cooky is the fattest woman in the world, June is working as a clown, Janet is a weight lifter, Marlene is working as a fire eater, and Joan is taking care of the elephants. Mr. Johnston is working with the same circus as a snake charmer.
